-------------	--------------	---------------------

MultiTech, u wellicht bekend van de kwalitatief uitstekende modems, vult het Dupaco assortiment aan met diverse oplossingen voor Remote Access en het centrale LAN. Een mooi voorbeeld van zo'n Remote Access oplossing is op dit moment de hybride server kaart die onlangs op de markt is gekomen, waarbij analoog en digitaal inbellen in een handomdraai gerealiseerd kan worden. MultiTech beschikt over de meest complete lijn van communicatieproducten, van client modems tot aan multiplexers en ISDN primary rate oplossingen.
